

APPENDIX B

NDEP DRUM REMOVAL REPORT 2003

Philip Transportation and Remediation, Inc.

Mailing Address: PO Box 150 San Martin CA 95046
Street Address: 12475 Llagas Avenue * San Martin CA 95046
1-800-321-1030 or 408-683-0477

DATE: July 30, 2003

TO: Mr. Joe Sawyer
SRK CONSULTING
102 Birch Drive
Yerington, NV 89447

FROM: Robert Pelham
Philip Transportation and Remediation
2095 Newlands Drive East
Fernley, NV 89408

RE: SUMMARY REPORT OF ACTIVITIES
Yerington Mine

SITE SERVICES

All identified project tasks have been completed to SRK's satisfaction.

SAFETY

No lost time or recordable incidents occurred.

TRANSPORTATION SERVICES

| Crushed Metal drums | 22 APR 03 | 12 cubic yards | 87562 |
| Non Reg Debris to lockwood | 23 APR 03 | 36cubic yards | 621126 |

Total electrolyte transported to date: ≈233,460-gallons

Total organic transported to date: ≈19,100-gallons

Total waste oil transported to date: ≈4,500-gallons

Total non-hazardous small SX material transported to date: ≈16,364-gallons

Total Copper Sulfate transported to date: ≈72 cubic yards

Total Non-Reg Liquid to IWS ≈18,000-gallons

Total Non-Reg Solids to IWS ≈167 Cubic Yards

Total Non-Reg Solids to Lockwood Landfill ≈60 Cubic Yards

| | |
|--|-----------------|
| Total Crushed Drums to Recycle at Western Metals | ≈40 Cubic Yards |
| Total Hazardous Waste to US Ecology | ≈70 Cubic Yards |
| Total Hazardous Waste to PSC Fernley | ≈ 1,870 pounds |

DISPOSAL SERVICES

| | LOCATION TREATED | QTY TREATED |
|---------------------------|-------------------|-----------------|
| SMALL SX "SOLIDS" | PSC Fernley TSDF | 16,460-gallons |
| COPPER SULFATE CRYSTAL | PSC Fernley TSDF | 36 cubic yards |
| NON-REG LIQ. TO IWS | IWS | 18,000-gallons |
| NON-REG SOLID TO IWS | IWS | 167-cubic yards |
| HAZARDOUS WASTE | PSC Fernley TSDF | 1,870 pounds |
| HAZARDOUS WASTE | US Ecology | 70 Cubic Yards |
| NON-REG SOLID TO LOCKWOOD | Lockwood Landfill | 60 Cubic Yards |

Note: All expenditures outlined in the table above are for disposal services only and do not include site services or transportation services.

Documentation and Photo Logs for the above summarized services is enclosed with this final project summary.
